

Information & Networking Event: EU-India Call on Water

3rd November 2017 | New Delhi

Information & Networking Event: **EU-India Call on Water** taking place in New Delhi (Habitat Center) on 3rd November 2017. This event is co-organized by the Research and Innovation Section of the Delegation of the European Union to India, (EU), the Department of Science & Technology (DST) and the Department of Biotechnology (DBT), Government of India in association with the TECO project: see enclosed Agenda.

The event targets potential applicants to the EU-India Call on Water for joint project proposals. It will offer an exceptional opportunity to build quality partnerships with academics, researchers, industrial stakeholders, SMEs and government actors from Europe and India. The aim of this event is to promote the flagship call on Water, jointly funded by EC-DST-DBT (in the order of 30 million euros).

The call will focus on:

- Drinking water purification with a focus on emerging pollutants;
- Waste water treatment with scope for resource/energy recovery, reuse, recycle and rainwater harvesting, as well as bioremediation technologies;
- Real time monitoring and control systems in distribution and treatment systems.

The Event will offer following possibilities:

- First-hand information by the funders about the scope, modalities and expected impact of the EU-India call on Water;
- Presentation of relevant Organisation and Profile related to R&I topic(s);
- Share your project ideas;
- Present your project proposal or company profile to all attendees;
- Identify partners for joint proposal;
- Discover proposals from other participants where your organization could fit in;
- Meet and share views with scientific experts and innovators on Water from all over India and Europe;

Participation: is free but for logistical reasons prior registration is required:
