

**APPLICATION**  
**(DST- DAAD PROJECT BASED PERSONNEL EXCHANGE PROGRAMME)**

**PART -I**

1. Title of the project:
2. (Subject Area, as specified in the announcement)
3. Contact details / Address of the project leaders:

|   | <b>Indian project leader</b> | <b>German Project leader</b> |
|---|------------------------------|------------------------------|
| Name & Designation                              |                              |                              |
| Department & Institute/<br>University (address) |                              |                              |
| Telephone (Work)                                |                              |                              |
| Telephone (Residence)                           |                              |                              |
| Fax No.   |                              |                              |
| Email ID  |                              |                              |

**PART-II**

1. Scientific objectives and individual components of the joint project: (max. ½ page)
2. Current state of the research/ technology (max. 2 pages)
3. Preliminary activities by the Indian side (max. 1 page)
4. Preliminary activities by the German side (max. 1 page)
5. Detailed description of the Indo-German co-operation (max ½ page)  
(Justification/ Rationale for collaboration)
6. Compatibility of intensions of both sides with regard to individual components of the project, working method of equipment (max. 1 page)
7. Promotion of the new Generation of academicians  
(Participation of young research students) (max. ½ page)
8. Where appropriate, the way in which the project results could be used by Industry and others (½ page)
9. List of the five most important publications of the project participants, which have a bearing on the project (please do not send copies of the publications themselves or lists detailing all publications of the group)

**PART-III (For Indian partners only)**

1. List of on-going research projects with the Indian project participants:

| Title of the project | Brief description | Duration with dates of commencement and completion of the project | Funding available and source of funds |
|----------------------|-------------------|---|---------------------------------------|
|                      |                   |   |                                       |
|                      |                   |   |                                       |
|                      |                   |   |                                       |

2. Infrastructure available/required to implement the project:

| Facilities                    | List of items required for the project | If not available presently, how it is proposed to be procured/recruited. Please indicate the source of funding |
|-------------------------------|--|--|
| Equipment                     |  |  |
| Manpower                      |  |  |
| Consumables and Contingencies |  |  |

3. Certified that the following Indian scientists including Ph.D. students, SRF/JRF, Post-Docs are presently affiliated with the University/Institute and will be the official project participants for the entire duration of the project:

| S. No. | Name of the project participant | Position held | From | To |
|--------|---------------------------------|---------------|------|----|
| 1.     |                                 |               |      |    |
| 2.     |                                 |               |      |    |
| 3.     |                                 |               |      |    |

4. Does the project involve (i) Biological Material Transfer / Use of GMOs / Radioactive materials; (ii) Human / animal trials ? Please submit necessary clearance of nodal agency / department of Govt in this regard.

5. Please mention Name/Address/Contact details including email address/ area of specialisation of 3 possible peer-reviewers of the project proposal.

(The proposal be forwarded by the respective Institutions / Universities as per the format below)

**INSTITUTIONS ENDORSEMENT**

Certified that –

- i) The project participants involved in the project are affiliated to the Institute/ University.
- ii) All information provided in the project proposal is correct; and
- iii) the infrastructural facilities related to the project activity is available in this Institution including equipment, manpower and other facilities and all necessary administrative support will be extended for the project

\* Applicants who do not hold a doctor's degree are requested to specify their academic status (Graduate, doctoral candidate) and attach bio-data of each of the above German participants.

## PROJECT SUMMARY

**(NOTE- This project summary should not exceed more than one page in any case)**

1. Programme/Scheme applied for -

2. Project Title -

3. Project Participants -

| Indian side | German Side |
|-------------|-------------|
|             |             |

4. Broad objectives of the Project-

5. Methodology to be adopted-

6. Likely out-puts of the project-

7. Are any IPR/Security-sensitivity/GMO/ transfer of biological material aspects involved in the project proposal-

8. Justification/ need for foreign collaboration-

9. Break-up of financial support asked for –

(Signature of the Indian PI)
