

Result of the DST FIST Logo Design Contest

The "Fund for Improvement of S&T Infrastructure (FIST)" scheme of the Department of Science & Technology (DST), Government of India has strengthened the basic teaching as well as advanced research infrastructure to enable different researchers to conduct R&D activities in elementary and emerging areas of S&T. To commemorate the successful implementation of the FIST Program for over 20 years as well as for reorienting the focus of support to research activities preferably in the areas in alignment with any of the National Missions/ priorities, it was decided to have a dedicated logo representing the face of the scheme.

A Logo Design Contest for the FIST Scheme was thus announced by DST with the last date of submission of entries as 31st July, 2020. On the last date of submission numerous entries were received which were evaluated by the FIST Advisory Board, the highest level Committee of the FIST Scheme and the Logo of **Ms. Nikita Malhotra, Guru Nanak Dev University, G. T. Road, Amritsar-143005, Punjab** was adjudged to be the winner.
