PRIORITY

D.O. No. 760/2021-DS(Gen/II) Pt I/ 07 /Def Secy/2022

January 20, 2022

Dear Shri Chandrasekhar,

The Republic Day Parade-2022 is a unique opportunity to celebrate the "Azadi Ka Amrit Mahotsav". Since only a small section of the people can be present during the Republic Day Parade and the Beating the Retreat ceremonies, it has been decided to connect with the citizens across the country digitally. As a part of this effort, MyGov has developed a webpage (www.mygov.in/rd2022) where citizens are invited to register themselves along with their family members for watching online streaming of Republic Day Parade and Beating the Retreat-2022. A digital certificate will be issued to the citizens for their participation in the Republic Day Parade. The registration will also enable the users to participate in various other activities with MyGov Republic Day webpage. The registration on MyGov Republic Day Parade is a unique opportunity for citizens to express their solidarity with the country on this solemn occasion.

2. I, therefore, request you to kindly encourage officers, staff in your Ministry/Department and attached organisations and their family members to register on the MyGov Republic Day Parade webpage. It is also requested that the stakeholder groups associated with your Ministry/Department may also be informed about this Republic Day webpage and they be encouraged to register on this webpage in large numbers.

3. Looking forward for your cooperation and encouragement for this initiative to ensure maximum online expression of solidarity to the Republic Day Celebrations in the country.

Regards

Yours sincerely,

(Ajay Kumar)

Shri S Chandrasekhar,
Secretary,
Department of Science & Technology,
Ministry of Science & Technology,
Technology Bhawan, New Mehrauli Road,
New Delhi-110 016.
