73rd Lindau Nobel Laureates meeting 2024

•••••

Lindau Foundation, Germany has been organizing the meeting with Nobel laureates in Physics, Chemistry and Medicine to discuss the major issues of importance in these fields, since 1951. The meeting includes lectures, round tables and interactive sessions among the young students and the scientists. Department of Science & Technology (DST), Govt. of India has been supporting the participation of meritorious Indian students at Masters, Doctoral and Post-Doctoral levels to interact with Nobel Laureates and other scientists to shape up their future research careers. DST has so far deputed over 500 young researchers in the age group of 20-30 years to the meeting of Nobel Laureates and Students in Lindau Germany.

This year, about 40 Nobel Laureates in the area of Physics have confirmed to attend the Lindau Meeting and interact with young scientists which is scheduled during 30th June to 5th July 2024. For the participation of Indian students in the 73rd Lindau Nobel Laureates meeting in the area of Physics, Department of Science and Technology (DST) had received 138 eligible applications, out of which 16 candidates have been jointly selected by the Lindau Foundation and DST. In addition, 1 student who was selected against the 2020 call but could not participate due to the Covid Pandemic has been selected to attend 73rd meeting.
