

**Department of Science and Technology**  
**WISE-KIRAN Division**

**NOTICE**

**Urgent Instruction with respect to funds related to Fellowships for  
WISE-PhD, WISE-PDF & WOS-A programmes**

1. The Department of Science and Technology is implementing three umbrella schemes (S&T Institutional and Human Capacity Building; Research and Development; and Innovation, Technology Development and Deployment), which are now merged with Vigyan Dhara scheme, as approved by the Cabinet. As directed by the Department of Expenditure (DoE), Ministry of Finance, there will also be change in the fund flow mechanism from the existing CNA Model 2 to Hybrid TSA Model - 1A with effect from 16<sup>th</sup> January 2025. Due to this Institutions receiving grants need to open ZBSA accounts in the Union Bank of India and flag the same on to PFMS. The transition from CNA Model-2 to Hybrid TSA Model-1A may require some time to get stabilized.
2. In view of this, Host Institutions are permitted to release advance payment of '**Fellowship + HRA only**' for the period up to 31<sup>st</sup> March 2025, within the already sanctioned (Limits Assigned) duration of fellowship directly to the WISE-PhD/ WISE-PDF/ WOS-A Fellows accounts and funds should not be parked in any bank account of the Institute.
3. This is applicable for projects with already assigned PFMS allocation limits. All fresh limit assignments of ongoing and new projects shall be considered upon successful transition from CNA Model-2 to Hybrid TSA Model-1A.
4. Adjustments on account of Contingency/ Consumables/ Research grant/ Overhead, if any will be considered for release upon receipt of Statement of Expenditure and Utilization Certificate in the next release (i.e., for FY2025-26).
5. List of Projects for which PIs are eligible for advance payment is annexed as WISE-PhD (Annexure-1); WISE-PDF (Annexure-2) and WOS-A (Annexure-3).
6. This issues with the approval of the competent authority.

**Instructions for Host Institutes**

1. The figures indicated for fellowships in the Annexure(s) are the ceiling allocation limits against the project. As per the above instructions, the actual entitled fellowship amount may be less than the mentioned amount as a few months' fellowship may have already been drawn.
2. Institutes are advised to keep a check of the following before any amount is transferred as advance: (i) Start Date of the Project; (ii) Funds already transferred to the PI and/ or being held up in Holding accounts against fellowship claim. (iii) Total Fellowship transferred to NOT exceed the sanctioned amount as per last sanction order.
3. Duplicity of payment should be avoided under any circumstances.
4. Fellows who have not joined the projects shall not be entitled for any advances, even if their name appears in the list.
5. The Host Institutes are advised to complete this exercise before 15<sup>th</sup> January 2025.
