

**Government of India**  
**Ministry of Science and Technology**  
**Department of Science and Technology**

**Nano Mission Secretariat**

The online submission of proposals under Nano Science and Nano technology has been open for submission throughout the year from 8<sup>th</sup> April, 2019. The Researchers can submit their proposals from 08.04.2019 onwards online to [www.onlinedst.gov.in](http://www.onlinedst.gov.in).

The Department has provided certain guidelines for submission of fresh project proposals under Nano Science and Nano Technology. It is mandatory for the PIs to read the Guidelines for Submission to NS or NT before submission of proposals under NS or NT.

**Who can apply:** Scientists & Technologists from academic/research institutions along with interested Industry/ SIROs, may submit their proposals in a prescribed format, preferably with some novelty in the proposal.
