

72nd Lindau Nobel Laureate meeting 2023

.....

Lindau Foundation, Germany has been organizing the meeting with Nobel laureates in Physics, Chemistry and Medicine to discuss the major issues of importance in these fields, since 1951. For the participation of students in the 72nd Lindau Nobel Laureate meeting in Lindau in June, 2023, Department of Science and Technology (DST) has received 223 applicants out of which both Lindau Committee and DST have selected 16 candidates for the 72nd Nobel Laureates meeting to be held during June 25-30, 2023 in the area of Medicine and Physiology. In addition, 5 students in the area of Medicine and Physiology have already been selected against the 2020 call who were unable to participate due to the Covid Pandemic. All selected students will be communicated to submit necessary document for further processing.
