

Webinar for Cleaning the Ganga and Agri-Water Call-2020

8thOctober 2020 (Thursday), 1500 to 1600 Hrs (IST)

About the Webinar:

Department of Science and Technology (DST) and The Dutch Research Council (NWO), has jointly launched **Cleaning the Ganga and Agri -Water Call 2020**. This joint DST-NWO research call aims to contribute to Cleaning the Ganga, which is defined as high priority field for the Indian and Dutch governments and water sector. The call will focus in particular on the impact of agriculture on the Ganga water system and the related scopes for interventions.

The Hindon sub-basin is selected as case area. The call addresses several SDG's, in particular 2 (Zero Hunger), 6 (Clean Water and Sanitation) and 13 (Climate Action). This call in Indian context will be in line with the significant National Missions such as "Namami Ganga" and "Swatch Bharat".

In this **Cleaning the Ganga and Agri -Water Call 2020**, DST is acting as a funding partner for the Indian partners and has allocated **Rs 11 Crores** for this purpose. For the information/queries, regarding the call and funding guidelines, Indian participants / stakeholders are requested to join the informative **Webinar** going to be organized jointly by DST-NWO Secretariat on the **8thOctober 2020 at 1500-1600 Hrs (IST)**.
