

Department of Science and Technology (DST), India and the Research Council of Norway (RCN) **cordially invites you to a webinar – DST-RCN and Clean Energy Transition Partnership (CETP) Funding Opportunities within CCUS.** The webinar will be held on **October 30th** from 14:30 -15:30 pm (IST) /11:00 a.m- 12:00 pm. (EST).

This webinar will highlight the international CETPartnership Joint Call 2023 Transition Initiative 3 (TRI 3) and DST India’s national requirements in terms of Eligibility criterion and funding guidelines for the potential applicants.

This is the second annual call under the CETPartnership. CETPartnership empowers people and organizations, driving a fair, clean energy transition for a climate-neutral world. TRI 3 includes the call modules for Carbon Capture, Utilization, and Storage (CCUS).

DST India has joined the **CETPartnership Joint Call 2023 Transition Initiative 3 (TRI 3) Call Module 04 (CCUS).** The Webinar is being organized to bring out clarity on the *Call module 04* and **DST India’s national requirements** in terms of Eligibility criterion and funding guidelines for potential Indian applicants.

We invite you to become part of the CETP community of change-makers, from researchers, academicians, corporates and entrepreneurs who have created scalable and impactful solutions towards a climate-neutral world. Interested applicants may **register** for the webinar providing following information :

Name of the Applicant	Organisation name and address	Email Address	Mobile number	Area of Interest

Kindly email your above information to ccus.dst@gmail.com positively before **26th October 2023** (17:00 Hrs IST).
